### Rates per hour

Our hourly rates range from £235 to £650 plus VAT, depending on the seriousness of your case and the Solicitor assigned to handle your case. We advise on the most suitable options on a case-by-case basis.

### Fixed fee

We will be able to quote a fixed fee for your case following an initial consultation with you. This will cover all the costs included in your case from the outset to trial, or a sentencing hearing should you plead guilty.

### Length of proceedings

This will depend on whether you plead guilty, or wish to contest the allegations made against you at trial. The usual length of proceedings for a private motoring offence is three to six months. However, this is subject to the facts of each individual case.

### **Additional costs**

We will also deal with any third parties costs such as Counsel and expert required to be instructed on your behalf. These payments are disbursements. We will consult you on these costs as your case progresses.
